

Chelsea Farmer's Club

A boutique? A club? A bar? Nobody's sure. What's certain is that smart tuxedos, cut-vests, suits, corduroy trousers as well as travelling gear and hunting utensils from the island are available here.

All products are developed and produced in-house. On Saturdays friends and acquaintances drop by during the day and turn the shop into a bar – perhaps because of the free drinks?

**Bleibtreustraße 40, tel. 88 72 74 74,
